

LET's PRACTICE!

In the orchard

MADARASZ ANNAMARIA

This is my grandparents' orchard. I help my grandparents every summer in their orchard. There are many fruit trees there but the apples, cherries, plums, pears, apricots and peaches are my favorite. I love oranges and lemons too but these fruits do not grow in their orchard.

1. Underline the fruits in the text!

2. Match the pictures with the fruit names!
